1. The following is an examiner's statement of reasons for allowance: The claims have been allowed because claims 1 and 12 recite an apparatus for dispensing pre-moistened wipes having a housing two sectioned tip member for dispensing of the wipes and having a lower section connected to the upper section.. The upper section has a well, an opening in the well, cover over the well and the opening. There is also a self closing mechanism attached to the cover and a hinge member connected to the upper section and the lower section of the tip member. There is a locking mechanism attached to the upper and lower sections of the tip member. Claim 12 further recites a pre-moistened wipes pack having a packaging member with a color component and a solution on the wipes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Bonk is cited disclosing another type of dispenser for pre-moistened wipes.
